	PVC, PVC WICKER WEAVE	ACRYLIC, OLEFIN, ACRYLIC/ POLYESTER, POLY/OLEFIN, PVC/ACRYLIC, PVC/OLEFIN	ALUMINUM FRAMES & TOPS	TEMPERED GLASS	MARBLE TOPS & TILES	PORCELAIN TILES	STONE IMPRESSIONS
<b>CLEANING AND MAINTENANCE</b>	For best results, clean regularly with mild detergent and warm water. Cleaning will help prevent mildew by washing out dirt particles that may become trapped. Shake out excess moisture after rinsing and allow to dry thoroughly before storing.	Spot wash by sponging briskly with a soapy solution of Ivory Liquid or Joy in lukewarm water (do not exceed 100 F). Thoroughly rinse with clean water to remove soap. Allow to air dry completely before storing.	Clean with a solution of warm water and mild soap. Use a fine automotive wax to maintain gloss on non-textured finishes. On textured finishes, periodically apply mineral or baby oil.	Clean regularly with a soft cloth, a mild detergent and warm water. Buff dry with a clean, lint-free cloth.	Use mild soap and a rag to scrub the surface. Follow with a clean water rinse. Each month wax with a furniture polish (such as Johnson's Furniture Polish).	Clean regularly using warm water, a neutral liquid cleaner (soapless) and a brush. Follow with a clean water rinse and wipe dry with soft cloth to prevent film formation.	Clean regularly with a soft cloth and warm water. For stubborn dirt, wipe gently with a moist sponge and dry with a clean soft cloth.
<b>REMOVING STAINS AND MILDEW</b>	Clean with a solution of warm water, mild laundry detergent, and chlorine bleach (no more than ¼ cup per three gallons of water). Never use a solvent type solution. Use X-14 Instant Mildew Stain Remover for more severe growth.	Spot wash by sponging briskly with a soapy solution of Ivory Liquid or Joy in lukewarm water (do not exceed 100 F). Thoroughly rinse with clean water to remove soap. Allow to air dry completely before storing.	Landgrave's multi-step finishing process results in a stain-resistant finish. Severe stains may require light sanding and touch-up painting.	Clean regularly with a soft cloth, a mild detergent and warm water. Buff dry with a clean, lint-free cloth.	Clean immediately if acid liquids (such as red wine and citrus juices) are spilled on the surface.	Clean immediately if stain forming liquids are spilled on the surface to prevent discoloration.	Wet area immediately with warm water and a mild detergent. Let stand for a few minutes and wipe clean. If necessary follow with a second cleaning, using a soft cloth, warm water and a mild detergent. Wipe dry with a cloth.
<b>INSECT REPELLENTS AND SUNTAN LOTIONS</b>	Not Recommended. Insect repellents and suntan lotions can reduce the life of PVC, accelerate fading and stain fabrics. To avoid damage, wipe clean with mild laundry detergent and warm water.	Not Recommended. Insect repellents and suntan lotions can reduce the life of fabric, accelerate fading and stain fabrics. To avoid damage, wipe clean with mild laundry detergent and warm water. Do not use bleach or harsh detergents under any circumstances.	The finish on Landgrave furniture is formulated and baked on to make it highly resistant to repellents and lotions. However, to avoid discoloration, clean the frame as soon as possible after the exposure.	Clean regularly with a soft cloth, a mild detergent and warm water. Buff dry with a clean, lint-free cloth.	Clean immediately if liquids (such as repellents or lotions) are spilled on the surface.	Clean immediately if stain forming liquids are spilled on the surface to prevent discoloration.	Wet area immediately with warm water and a mild detergent. Let stand for a few minutes and wipe clean. If necessary follow with a second cleaning, using a soft cloth, warm water and a mild detergent. Wipe dry with a cloth.
<b>SPECIAL INSTRUCTIONS</b>	DO NOT USE solvents, souring agents, carbon tetrachloride, undiluted bleach, janitorial cleansers or gasoline. If in doubt about using a detergent, choose an inconspicuous area and test the cleaner.	DO NOT USE STEAM. Acrylic fibers are made of 100% acrylic fiber and are thermoplastic or heat sensitive. When spot washing, use lukewarm water (under 100 F). Allow to air dry. Do not use solvents, carbon tetrachloride, souring agents, bleach, janitorial cleansers, gasoline or brushes.	Frame finish touch-up instructions: When using touch-up paints, please follow instructions and cautions on product labels. If covering scratches, rub lightly with a fine steel wool to smooth the surface and improve paint adhesion. Apply thin coats of touch-up paint and allow ample drying time between coats.	DO NOT USE solvents, souring agents, carbon tetrachloride, undiluted bleach, janitorial cleansers or gasoline.	Seal with a marble sealer (such as Porous Plus by MiraSeal) once per season. In extremely harsh, weather, cover top. Place inside during prolonged winter cold spells.	Do not use sealers or acid cleaners on porcelain tiles. Clean tiles on a regular basis to avoid build up of dirt and to lessen slippery conditions.	DO NOT USE solvents, souring agents, carbon tetrachloride, undiluted bleach, janitorial cleansers or gasoline. Do not expose tile to nail polish or acetone as these may damage the finish.
